

” In the case of a larger order or long-term cooperation, individual conditions can be agreed. I am also open to other types of remuneration, such as a pre-agreed price for the work or a convenient package of prepaid hours.

Hourly Rate Price List

My hourly rate is 450 CZK per hour.

A surcharge of 25% is charged for work required outside my normal working hours of 8 am to 5 pm.

A surcharge of 25% is charged for work required within 48 hours.

A surcharge of 50% is charged for work required on non-working days.

After approving the offer, the time volume includes communication, meetings and the graphic/design activity itself.

I record the amount of time in Toggl and I will be happy to provide you with a statement of hours worked at any time on request.

The minimum recorded time is 5 minutes.

When invoicing, I round up the total amount of time for the invoiced period after half an hour.

The hourly rate price list is binding. The only exception is individually agreed conditions.
